Adjudicator Brian Rostron

Good to open with a sensible tempo. Neat solo cornet all is heard. Good Euph.

D. Very good E. Some detail is lost here. Trio – all the soloists do a very good job both times!

G. a bit scrappy FF does not mean as loud as possible! DC this is better – nice touch Sop!

A. Good dynamics here. C. Just right D. I like this all the semis are heard and you bring the band to a good close.
